Sub:- Minutes of the Air Quality Monitoring Committee (AQMC) meeting for revision of Action Plan for non-attainment Jammu and Srinagar Cities held on dt. 08-03-2019.

Ref:- Meeting Notice No:- SPCB/LSK/402/2018/8059-70 dt. 05-03-2019.

The meeting of Air Quality Monitoring Committee (AQMC) was held on **08-03-2019** under the chairmanship of **Sh. B. Siddhartha Kumar, IFS, Pr. C.C.F/ Director, Department of Environment, Ecology and Remote Sensing** in the office of Directorate of Environment, Ecology and Remote Sensing, Narwal, Jammu. The list of **AQMC / Co-opted Members** who attended the meeting to discuss the **revision of Action Plan** for non-attainment Jammu and Srinagar Cities is enclosed as **Annexure 'A'**.

After threadbare discussions on the observations made by the CPCB committee as communicated vide dt. **12-02-2019**, the following decisions have been taken in the meeting for key component wise inputs from different stakeholders / departments for further improvement and revision of the Action plan.

i) **Transport Department:-**

- To work out the carrying capacity assessment of the vehicular load for both Jammu / Srinagar cities and provide input accordingly.
- Provide brief input on procurement of **40 (20 in each Jammu / Srinagar)** electric buses which are likely to be operationalized to encourage the public transport with the utility of clean fuel by **31st March 2019**.
- Provide input with regard to action taken on phasing of the commercial vehicles after **15 years age as per Motor Vehicle Act, 1988** with time frame for implementation of same.

- Input on installation of remote sensor based **PUC** system in capital cities (**Jammu / Srinagar**) fixing interim emissions reduction targets due to vehicular pollution with time frame, for both the cities under reference.
- Action Plan with time frame for streamlining of vehicular traffic to check jams and decongest roads of both the cities.

ii) **Jammu Municipal Corporation / Srinagar Municipal Corporation**

- To provide input on Population density *viz -a-viz* carrying capacity of both the cities.
- The input on Construction activities in the cities and action plan / initiatives taken to mitigate fugitive emissions from such activities.
- Action taken for handling Construction and Demolition Waste and its disposal with adequate data.
- Details of fountains established / functional / proposed for city roads.
- Inputs on satellite townships, ongoing project on ring road with the objective of decongestion of compact transport mobility.
- Multi layer parking projects sanctioned, completed and projected to the Govt. for sanction with estimated project capital cost and time of completion.
- Action taken by the Municipality on open burning of MSW *etc.*

iii) Regarding **Clean Fuel Consumption**, the details of household covered in both Jammu and Srinagar districts under **Pradhan Mantri Ujjawala Yojana**, to provide free Gas connections to Below Poverty Line (**BPL**) families, fuel adulteration checking / detection details, to be obtained from the department of **CAPD / Legal Metrology**.

iv) The information regarding Graded Response Action Plan (**GRAP**) be provided by **Transport Department** and **JMC / SMC** on emission reduction targets by;

- Introducing modern mass public transport and clean fuel transport facilities in both the non-attainment cities Jammu / Srinagar in future with definite time line.

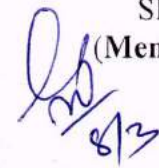

The AQMC / Co-opted members are requested to provide the information by or before
11-03-2019 through - email (membersecretaryjkspcb@gmail.com / bmsharma47@yahoo.com)

The meeting ended with vote of thanks to the Chair.

(B. M. Sharma)
Member Secretary
SPCB, Jammu.
(Member AQMC)
